

Elektrotec-2019 is organised by CODISSIA Intec Technology Centre from 24th to 27th Jan- 2019 at CODISSIA Trade Fair Complex, Coimbatore, Tamilnadu, India. Elektrotec 2019 is one of the largest Electrical and Industrial Electronics sector trade event in India. Elektrotec-2019 registers high overall visitor figures and facilitates smooth exchange of relevant business information among the participants. Exhibitors can also get in touch with a large pool of new customers at the event. Senior representatives from governmental bodies will also be amongst those present here. Elektrotec is supported by industry associations like EIEWA (Electrical Installation Engineers Welfare Association), and CODETA (Coimbatore District Electrical Traders Association), in addition to the Central & State Governments. With wide global participation, it is an ideal platform to launch new products, invite enquiries and generate potential leads across the globe.
