

EverythingAboutWater, India's leading knowledge & marketing solutions provider since 2000, after super success of 15thEverythingAboutWater Expo 2018 & past editions of exclusive 'India Water Expo' in Chennai, Ahmedabad & Hyderabad, now proudly announces the 7th India Water Expo 2019, on 29th-31st January at Hall No. 5, Bombay Exhibition Centre, Mumbai, India. As the most cost-effective marketing platform for key players, the India Water Expo 2019 ensures you reach your target customers from all over Maharashtra. Manufacturers specializing in water treatment, wastewater management and all other related industries can showcase and exhibit their products and expertise. Organized by EA Water Pvt Ltd, the show is the biggest water event in Western India. Everything About Water has taken the initiative of creating a bridge between the players in the sector and the end users through on a single platform and helps understanding the latest developments and technologies available for Water and Waste water Management. India Water Expo offers excellent opportunities for establishing contacts, initiating joint ventures and doing business in this part of India. Expected to be visited by over 8000 focused business visitors & attended by 150 exhibitors & 500 conference delegates, this show is definitely a value-added opportunity, not to be missed!
