

India Stonemart 2019 is the largest exposition on stone industry which showcases the world of natural stones and ancillary products and services most comprehensively, conveniently and competently. As the most eagerly awaited event of its kind, it assumes strategic and competitive importance for anyone related with the stone industry, in India and internationally. It is an all encompassing expositional umbrella which brings together everyone, across the seven seas, connected with stone industry together under its ambit. The exhibition is organized by CDOS with FICCI as co-organiser, supported by the Government and sponsored by the biggest names in the sector from India and other countries as well. Rajasthan State Industrial Development Investment Corporation Ltd. is the Principal Sponsor.
